Family Services

Our team of bilingual **Family Support Specialists** work directly with families to identify which programs will be the most beneficial to their unique situation. Whether it be practical, financial, emotional or peer support, Jacob's Heart is there for as much or as little as a family needs.

"The biggest impact we have felt from Jacob's Heart is the support they have given us. Without their support, what we went through would have been much harder. It has been a big help, both emotionally and financially."

We Love Volunteers

Volunteers help in so many ways! They pack nutritious groceries for our families every Thursday at 9:00 am.

They decorate grocery bags and cards for kids; and assist staff at Camp Heart + Hands, the Forever Loved Retreat, and various fundraisers throughout the year.

“Volunteering at Jacob’s heart is so meaningful to me because I know that the groceries we are providing to our clients, take a little off the plate of these families that are dealing with such a heavy diagnosis of their precious child dealing with cancer.”

Sandy Prather, Full Hearts Volunteer

“What an honor to spend my retirement years aiding the beautiful work of the Jacob’s Heart staff members who are consistently doing the right things for all the right reasons!”
