

# 2022 Impact Report

In 2022, you helped Jacob's Heart provide love, hope, and healing for **6,365 individuals!**

**"In 2022, we saw tremendous growth, serving over 80% more families than the previous year."**

## *Hello Friends and Family,*

This year, we celebrate Jacob's Heart and 25 years of service to children with cancer and their families. While our wish is that no child is diagnosed with pediatric cancer, the team and I are proud to carry on the work by addressing their emotional, practical, and financial needs while building toward hope and healing. As we reflect on the past and honor those who have shaped Jacob's Heart, stories of courage and hope light the way forward, inspiring us to do even more in the future. In 2022, we saw tremendous growth, serving over 80% more families than the previous year. Even with this growth, we aim to help more families as we expand our service area to the greater Santa Clara County in January, 2024. As the only organization of its kind in California, and with you by our side supporting us, we will learn what it takes to expand so that no family facing pediatric cancer is ever alone.

For as long as there is pediatric cancer, we will wrap families up in a quilt of love stitched so tightly that no matter how harsh the circumstances, that love does not come undone.

From the very depths of my heart, thank you for your continued support. Together, we make families stronger during their greatest time of need.

*Heidi Boynton*

Heidi Boynton  
Executive Director

"I want to thank Jacob's Heart for all the little things that may not seem big but for any family whose going through it, the details and the care stays with us forever."

Enri, Sol's Dad

"We have struggled financially and we are extremely grateful for the help from Jacob's Heart. Everyone is so nice and Kelly loves receiving monthly letters and getting to read all the sweet messages."

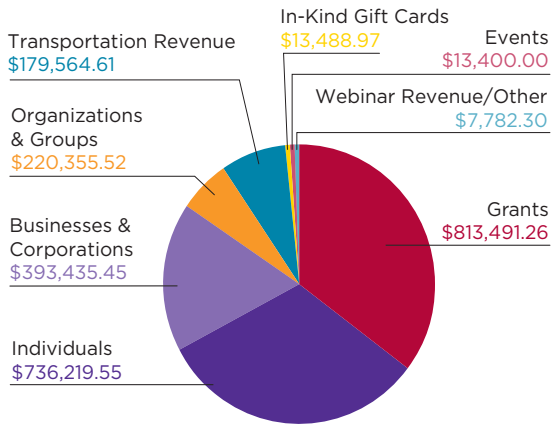

Blanca, Kelly's Mom

## Our Work Ahead

We currently support children with cancer and their families in Santa Cruz, Monterey, San Benito, and South Santa Clara counties. As we prepare to open our doors to more families in Santa Clara County, we need your help to ensure every child is wrapped in love as they face the unimaginable, because kids can't fight cancer alone.

## How You Can Help

We are looking for future partners, volunteers and donors! If you know anyone open to learning more about Jacob's Heart please email our Outreach Coordinator at [allyssa@jacobsheart.org](mailto:allyssa@jacobsheart.org).

We've come a long way since 1998 and are excited to see what the future brings!
