

25 Years and Growing Strong

In 2023, your gift had a profound impact, improving the quality of life for 375 children facing cancer.

Hello Friends and Family,

For 26 years, Jacob's Heart has been a constant companion to families navigating the unimaginable journey of childhood cancer. No family should endure the heart-wrenching news of their child's cancer diagnosis alone, and thanks to the support of our community, Jacob's Heart ensures they don't have to. Your generosity enables us to wrap families up in love and compassion, instill hope and healing, and create opportunities for connections with other families facing similar challenges. You—our community—equip us to serve families in a way that is meaningful, heartfelt and life changing.

In 2023, fueled by your generosity, we achieved so much. The inauguration of our new Family Center, expansion of our dedicated staff to meet evolving family needs, and preparation for embracing new families in Santa Clara County marked a transformative year. As we continue our mission, standing by nearly 400 families until there is a cure, we recognize that our ability to do so is solely because of you.

On behalf of the kiddos, moms, dads, brothers, sisters and extended families we have the privilege to serve, thank you.

With a grateful heart and hope for a cure.

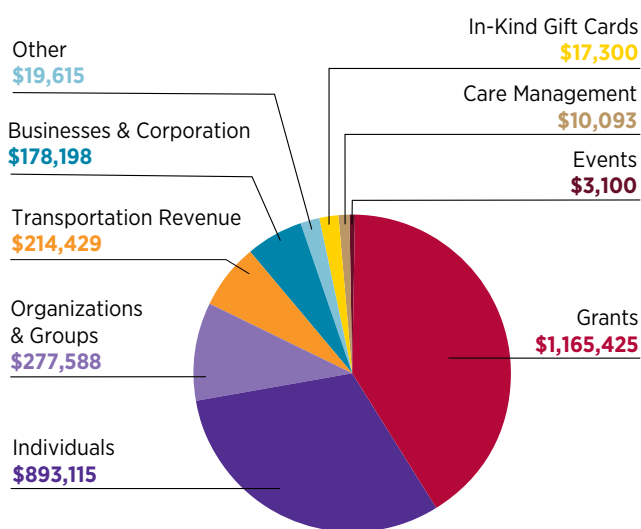

Heidi Boynton
